

Benefits of the Cultural Experiences of Quitsato

- Only place in the world where guests can eat over the equator, middle of the world, latitude 0 0 0, certified by the Military Geographic Institute of Ecuador
- Only place in the world where you can toast or cheers in the middle of the world with an Andean artisan drink in both hemispheres, one foot on the north and the other foot on the south
- According to the experience chosen, guests can enjoy up till 5 cultural experiences in 1 day: Quitsato – the equator, middle of the world, Pachamanga, Mishky Huarmy, Oriens, Pambamesa, Hacienda Guachalá or Pambamarca
- In the corresponding packages, guests will receive souvenirs which are also educational material: Oriens Package, Mishky Huarmy and Carrizo shot cane glass
- Exclusive service and completely traditional
- Every experience can be organized for the needs of each group, flexible and custom made
- Everything is prepared with the philosophy of Slow Food, which "aspires to a world in which all of us can access and enjoy a good meal for us, for those who produce it and for the planet." It is based on a notion of quality of food defined by three interrelated principles: good, clean and fair:
 - GOOD: quality, flavorsome and healthy food
 - CLEAN: production that does not harm the environment
 - FAIR: accessible prices for consumers and fair conditions and pay for producers
- Instead of using plates or plastic cups, we use Atseras (leaves) to serve the food and glass jars for drinks, completely ecological experiences
- We work as a team with native guides from the region and ladies from different communities to promote community tourism, maintain the Andean traditions and also create an awareness of the value of archaeological sites and their conservation
